

Part A Statistics HT 2021

Which videos cover the relevant material for the problem sheets?

- Sheet 1: Videos 1-8
- Sheet 2: Videos 9-13
- Sheet 3: Videos 14-20
- Sheet 4: Videos 21-27

I'll update this document with video details once I know the relevant video numbers. (I wanted to make the problem sheets available in good time, but the videos are not all ready yet.)
