

C3.1 ALGEBRAIC TOPOLOGY
MT 2023

Instructions for handing in exercises

Problem sheets are divided into Sections A, B and C, and markers will only mark Section B of problem sheets 1 and 3. Solutions will be provided for the other sections.

Sheet 1: Section A = exercises 4 and 5
Section B = exercise 3
Section C = exercise 6

Sheet 2: Section A = exercise 7
Section B = exercises 5 and 8
Section C = exercise 3

Sheet 3: Section A = exercises 2 and 6
Section B = exercise 5
Section C = exercise 8

Sheet 4: Section A = exercise 7
Section B = exercises 1 and 8
Section C = exercise 5

The remaining exercises (from Alex Ritter) should not be considered as part of the problem sheets. They may be discussed in the tutorials if time permits.

Exercises should be handed in:

- on Friday of the previous week for the tutorials that take place on Tuesdays and Thursdays.
- on Monday at noon for the tutorials that take place on Fridays.
