Library Information

ORLO is a great resource for finding recommended texts for each course

https://oxford.rl.talis.com/index.html

or use the link from each individual course page.

The Mathematical Institute library information page at

https://www.maths.ox.ac.uk/members/library

has a link to SOLO (Search Oxford Libraries Online)

http://solo.bodleian.ox.ac.uk/

The library services home page is at

http://www.bodleian.ox.ac.uk/

and from here the Collections and Resources tab is particularly useful.

Oxford Exam Papers on the Web
